

# Australian Association of Holistic & Transpersonal Counsellors Inc.

## Credit Points System

Activity	Points
Attending or facilitating AAHTC organised workshops, group sessions, or presentations	2 points per hour, not including breaks.
Attending or facilitating other relevant workshops, group sessions, conferences & presentations	1 point per hour, not including breaks.
Relevant face-to-face course work	1 point per hour

To fulfil the AAHTC criteria required for annual membership renewal at Professional or Qualified level, 20 points of Ongoing Professional Development are needed coupled with a minimum of 5 hours [Professional Supervision](#)<sup>1</sup>

This Log Book is provided for your information and for record keeping purposes. We do not normally require evidence substantiating your claimed points or hours at the time of membership renewal. The Association does however retain the right to conduct an audit.

Members who are unable to fulfil their requirements due to isolation and distance issues can discuss their cases individually with AAHTC. Other than in such special circumstances, members who fail to meet the requirements will have their membership renewed with a Non-Practicing status and thereby lose certain benefits, including the right to be included in the AAHTC list of practitioners.
